Reference No.: 862/2025

Dear Parents/Guardians & Students

## Release of 2025 Singapore Cambridge GCE N-Level Examination Results

1. MOE has announced that the GCE N-Level Examination results will be released on **Thursday, 18 December 2025 at 2.00 pm**.
2. Your child/ward must be in full school uniform and proper appearance in line with the school's code of conduct (e.g. no dyed hair etc) when reporting to school to collect their results.

Refer to the school website link on the correct attire and appearance.

Link: <https://www.peicaisec.moe.edu.sg/student-development/student-management/code-of-conduct/>

3. Please refer to the programme below:

Time	Activity
1.30 pm	Students to be seated in the multi-purpose hall
2.00 pm	Administrative briefing
2.15 pm	Address by Principal
2.30 pm	Issuing of results slips, forms and booklets

4. Students who are unable to collect their results in person should inform their form teacher and can appoint a proxy to collect a physical copy of their results on their behalf. Proxies are required to produce (a) Proxy's IC and (b) Proxy letter for the school's verification that is attached in the accompanying Parent Gateway announcement when collecting the results at the school's General Office. Results can be collected in the Multi-Purpose Hall from 2.30 pm on 18 December or at the General Office starting 19 December.
5. Parents or guardians accompanying their child or ward will need to fill in the Visitor Registration Form before visiting the school.  
Link: <https://go.gov.sg/nlevelresults2025>

Parents or guardians accompanying their child or ward must register at the security post and wear a visitor tag for easy identification. The tag must be put on at all times while in school.

6. Students should only alight/be picked up at designated venues in the school. Like many other driveways, our school's driveway is designed for passenger pick-up and drop off only. Any parking along the driveway not designed for that purpose poses a serious safety concern for students and staff. Hence, parking or waiting is strictly not allowed in the school's driveway.

We would like to request all drivers/riders to provide your full support and cooperation to the school's security guards who perform traffic marshal duties in the school.

As parking lots in the school premises are very limited, parents/guardians who drive to school for appointments or are waiting to pick up their child/ward can park their cars at the HDB carparks nearby (carparks for Blocks 218 - 222, Serangoon Avenue 4).
