Dear Parents/Guardians & Students

Release of 2025 Singapore Cambridge GCE O-Level Examination Results

1. MOE has announced that the GCE O-Level Examination Results will be released on Wednesday, 14 January 2026 at 2.00 pm.
2. Your child/ward must be in full school uniform and appropriately groomed (e.g. no dyed hair etc) when reporting to school to collect their results. Refer to the school website link on appropriate attire and appearance. Link: <https://www.peicaisec.moe.edu.sg/student-development/student-management/code-of-conduct/>
3. Please refer to the programme below:

Time	Activity
1.30 pm	Reporting time for students in multi-purpose hall
1.50 pm	All to be seated in the multi-purpose hall
2.00 pm	Briefing and administrative updates
2.20 pm	Address by Principal
2.45 pm	Issue of results slips, forms and booklets

4. Students who are unable to collect their results in person should inform their form teacher and can appoint a proxy to collect a physical copy of their results on their behalf. Proxies are required to produce (a) Proxy's IC and (b) Proxy letter for the school's verification that is attached in the accompanying Parent Gateway announcement when collecting the results at the school's General Office. Results can be collected from 3.00 pm on 14 January or at the General Office starting 15 January.
5. Students or their proxies who are unable to collect the result slips on the day of the results release must make an appointment with the school before coming down on other days to collect them.
6. Parents or guardians accompanying their child or ward will need to fill in the Visitor Registration Form before visiting the school. Please refer to the link to update the necessary information. Link: <https://go.gov.sg/olevelresults2025>

Parents or guardians accompanying their child or ward must register at the security post and wear a visitor tag for easy identification. The tag must be put on at all times while in school.

7. Students should only alight/be picked up at designated venues in the school. Like many other driveways, our school's driveway is designed for passenger pick-up and drop off only. Any parking along the driveway not designed for that purpose poses a serious safety concern for students and staff. Hence, parking or waiting is strictly not allowed in the school's driveway.

Our Vision: Critical Minds, Compassionate Hearts

Our PR²IDE Values: Perseverance, Respect, Responsibility, Integrity, Discipline, Empathy

We would like to request all drivers/riders to provide your full support and cooperation to the school's security guards who perform traffic marshal duties in the school.

As parking lots in the school premises are very limited, parents/guardians who drive to school for appointments or are waiting to pick up their child/ward can park their cars at the HDB carparks nearby (carparks for Blocks 218 - 222, Serangoon Avenue 4).

8. Education and Career Guidance (ECG) support

Candidates are encouraged to explore the range of education and career pathways available to them to make informed decisions about their next steps. They may refer to the following websites for more information.

9. Thank you very much. We wish all students the very best.

Yours sincerely

Ms Jesmine Chung
