Stepping Up on Precautionary Measures Against the 2019 Novel Coronavirus (2019-nCoV)

In view of the latest 2019-nCoV situation in Singapore, the school will be continuing existing and implementing new precautionary measures, starting from today (5 Feb 2020) unless otherwise stated:

1. Visitor Management

- Visual screening, temperature and travel history checks will be conducted for all visitors. Those who are unwell and/or have temperature at 38.0 °C and have personal travel history to China in the last 14 days will not be allowed into the premises.

2. Social Distancing Measures

- Flag-raising is conducted in the classrooms since 29 Jan 2020.
- Mass assemblies will be suspended until further notice. All school activities will be localised in the classrooms or other suitable venues.
- Staggered recesses have already been built into the existing timetable.
- CCAs will continue with appropriate precautionary measures for coaches, instructors and volunteers and to reduce group size where possible.
- National school games competitions will continue with the additional precautionary measures and modified to avoid large gathering of students.
- Learning journeys and cohort camps scheduled in Term 1 will be suspended or cancelled. Details will be provided by the teacher in-charge shortly.

We would like to remind students to adopt good personal hygiene habits, including handwashing with soap and water or use of alcohol-based hand rub. Inform the school if you are unwell and seek medical attention immediately.
